In these unprecedented and difficult times we are well aware of the mental toll students are coping with. Therefore, CUSIT is also coming with first of its kind policy of 100% Fee Refund conditioned on admission in any of the government sector universities under ETEA/MDCAT.

So if you are enrolled in one of our programs, still you can have your full fee refunded once you get your admission confirmation in any of the public sector universities via ETEA/MDCAT entrance test.

Note:

This policy should be applicable only on those students who would have admission confirmation in any of the government sector universities under ETEA/MDCAT before commencement of the regular classes at CUSIT.
